CLUB INTERNATIONAL
Volume Twenty Four
Number Eleven

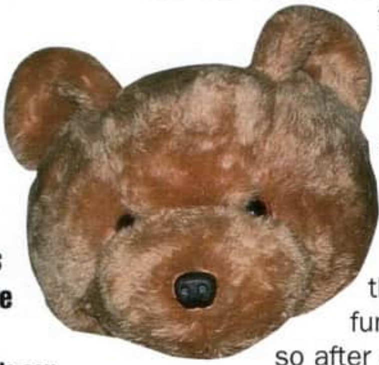
If you think it gets **tedious** listening to me go on about hangovers and all that, what do you think it's like for me?! I only do it so you don't have to, you know. This time it was a **champagne shin-dig** at a new bar called **BLUES** next to the poncey Groucho Club in Dean Street, Soho. It was the opening night and Club Personal Assistant, Nic, said she'd assist me with a quick drink on the way home.

One drink soon turned into thirty so that by the time my mate Shaz and her gorgeous pal Tracy (Can you believe it? A **real life Shaz and Tracy!**) rolled in at seven, yours truly was sitting there with a yellow suspender belt around my head, a pair of Union Jack bikini bottoms on my face, a pair of **Barbie** knickers in my mouth (all supplied by Agent Provocateur) and a black feather boa draped around my neck.

I did this so that you didn't have to. But perhaps the saddest thing is, I actually thought it was a **funny** thing to do.

You see, I've come to the conclusion that there is only about a **one hour** period during a drinking sesh that is any real fun. It's the hour or so after your second drink, when you can still talk some sense, you're quite amusing and girls like you. Everything after that is a **complete fucking waste of time** because you have turned into the person who **THINKS** he's talking sense, thinks he's quite amusing and, worst of all, thinks girls like him. I was well past my hour very quickly.

I have never even **SEEN**, nevermind drunk, so much champagne in my life. Every time you took the glass from your lips one of **BLUES**' very smart staff popped up and filled it up again. And you know, it may sound glamorous necking champagne in a swanky bar in Soho, and to be honest **it was**. But why couldn't we have left it at that and gone home to our shitty little flats and felt ourselves lucky to be a part of the **high-life** even for a few fleeting hours? Well, because we'd got fucked on champagne, of course. And that called for a **celebration** – at the Carlisle Arms (three pints of Red Rock cider), Riki Tiks bar (a jug of margheritas), my mate El's flat (bottle of cheap white wine and a spliff) then on to Madame Jo-Jo's for a few bottles of **K** cider and a bad boogie.



Danny Bear's thought of the month:
"Live lezzer dildo sex show – yeah!"

I finally crawled home at 4.30AM, feeling dizzy, knackered and **monged out**. And of course, the moment my head hit the pillow I was spark awake again...

By 9AM I'd managed three hours sleep and four visits to the toilet. I was still pissed and frighteningly **confused**; confused enough to get in my car and drive eight miles though heavy London traffic to a photo shoot (that's what those knickers and stuff were for. I don't usually carry women's underwear around with me).

By mid-day I felt like **Hurricane Alice** had arrived in my bonce and was heading straight for my churning, bubbling stomach at frightening speed. There was nothing manly and macho about this hangover. No 'Blimey! I feel rough, boys!'. This was the **real thing**, a hangover of Biblical proportions that took me as near to death and throwing up on a Club photographer as I would like to get just now.

And **I did this so that you don't have to**; so that you could look at a few pics of some sexy knickers on page 40. Well, next time you can do it. – **The Ed.**♣

DOUBLE TROUBLE

My name's Richard, I'm 23 years old and I work in a hairdressing salon. Okay, yeah, I've heard all the jokes about male hairdressers being as camp as a row of boy scouts' tents, but you wouldn't believe the amount of opportunities I get to chat up beautiful women.

I've got one regular client, a gorgeous brunette called Lisa, who's a real flirty prick-teaser. She's always showing off her firm boobs in skintight tops that leave little to the imagination. I must admit that I've fancied her for ages, so you can imagine my delight when I opened the latest issue of Club (Vol 24 No 9) and saw what I can only describe as her double – a gorgeous girl called Christine!

Lisa has the same long dark hair and big boobs as Christine, and I couldn't help fantasising about whether she also has the same neatly-trimmed pussy and dark nipples! Thankfully, it didn't take me long to find out...

The very next day, Lisa came into the salon. Wearing cut-off denims that showed off her glorious bum, her big boobs were straining to escape from her tiny top. As she sat down, her dark hair tumbling over her shoulders, I told her how great she looked. "You look even better than Christine," I said.

"And who's this Christine then?" she asked.

Bold as brass, I passed her the issue of Club. I didn't know what her reaction would be, but a smile passed across her lips when she came across Christine's pictures.

"You know, I think you're right," she giggled sexily.

I could feel my cock hardening as she slowly perused the photos, then fixing me with a sexy smile, she walked over to the front door of the salon and pulled the shutters down. "You're closed for the day," she purred sexily.

Walking back towards me, she sat opposite me in a chair. "How would you like to get your prick between these beauties?" she asked, lifting up her top, cupping a boob in each hand.

I'd spent so much time fantasising over what I'd like to do with Lisa, that I didn't even know where to begin! I began by leaning towards her and running a finger down between her cleavage as Lisa leaned back in her chair and pulled me on top of her. I moved my hands over her breasts and began fondling them, feeling her nipples harden under my touch. Moving down, I squatted between her knees, my mouth clamping onto her breasts.

I could feel Lisa's hands moving down over my hips and loosening my belt as she freed my cock, giving it an inviting pull. I wanted Lisa more than anything now, so I lifted her up from the chair and set her down on the worktop, easing down her shorts as she lifted her bum up to help me. I wasn't surprised to find that she wasn't wearing any knickers as she spread her legs open so that I could see her wet pussy glistening.

I wrapped my fingers around my hard cock and guided my prick towards Lisa's mouth. She sucked hard, tugging on my heavy balls at the same time until I gave a vigorous thrust and shot my load all over her face and hair.

"Now make me come!" she demanded, leaning over the chair so that her bum stuck out like a ripe, rounded peach. I had a prime view in the mirror as I gripped her bum and plunged my cock inside her tight pussy.

I held back until she was really pushing her hips back at me, the sweat trickling off her face and her whole body shaking as an orgasm ripped through her. Screaming and shouting that she was coming, her hot cunt juice flowed out all over my dick and balls, making me shoot my load once again.

After another blow job – Lisa loved tasting her own juices on my cock – we went through to the back of the salon where I gave her a quick trim of a different

ROLF STY

In recent months this little section has become home to a host of weird and not-so-wonderful things, one or two of them musical instruments. This time round we proudly present you with Club reader Sharon's sexy Stylophone! Looking lush in 'real wood' effect plastic, the Stylophone is the spiritual successor to the Theremin. Using a pen to touch the notes along a flat metal keyboard, the player can make this seminal Seventies instrument buzz and burr to tunes like *Happy Birthday*, *Home on the Range* and *Cigarettes and Alcohol*.

MY FANTASY

I'm a bisexual woman who's been going out with my boyfriend, Andy, for about three years. He knows of my fondness for women – and it's something that he's perfectly happy with. We often talk about girls we know that we'd love to share. Getting turned on as I imagine getting my hands on their bodies, I usually end up jumping on Andy and shagging his brains out! We've often talked about our ultimate fantasy fuck, and it goes like this...

Andy and I are out at a club one night when we spot a gorgeous girl dancing sexily. I'm onto her like a flash and entice her back to our flat with the promise of some wild sex. I make it

will know that the Stylophone is synonymous with bearded Aussie, Rolf Harris. On the 7" single that accompanies the instrument, Rolf can be heard wittering away about tuning techniques and warning you not to touch the Vibrato switch until you're fully proficient! If you're lucky you can still pick up a Stylophone (perhaps even an ultra-rare double-decker version) at a car-boot sale. If you're even luckier you'll have better things to spend your money on. Only joking, Shaz.♣

Hard though it may be to believe, our 18-year-old blonde with the Disney eyes is just as innocent as she looks! That's right. She's a VIRGIN! She's never done it! She's never had a cock up that sweet little pussy. She wants to, though... "If I don't get laid soon I'll explode!"

If you're so desperate, Jenny, how come you haven't been out looking for a bloke to give you one then? "To tell you the truth I was never really interested in boys. Up until recently I could think of nothing better than having my pussy licked by someone who looks like Amanda de Cadenet. But now my lezzie days are over – or they will be if I ever get a cock to convince me to stay straight!" ♣

Her name is Shirley Manson and she's Garbage. When we say Garbage, we mean that's the name of the group she sings in and not some derogatory comment 'cos, as you can see, she's utterly lovely.

Along with knob twiddler Butch Vig (who produced Nirvana's *Nevermind*) and two other blokes whose names escape us, Garbage have already released two singles, including, *Subhuman*, which came in a rather pervy rubber CD case. While the blokes come from the States, Shirley comes from Edinburgh where she used to sing for the less-than-wonderful Goodbye Mr McKenzie who, funnily enough, have found themselves confined to the dustbin of musical history. Unlike Garbage.♣

CHEAP LAUGHS

Join our OAP superheroes as they dispense truth, justice and gladiolas...

It was a sunny evening in the leafy suburb of Netcurtain. Dolly, Molly, Polly, Wally and Doodle were on their way to the Women's Institute to hear Mr Spanker the Greengrocer's interesting talk on '101 things to do with rhubarb'. They were chatting excitedly when something caught Dolly's eye. On the other side of the street, in a dimly lit doorway, a swarthy looking man was deep in conversation with a Jack Russell terrier.

"Look at that," Dolly hissed to her companions. "That man is clearly a Colombian drug baron. He is getting little Tinker the puppy hooked on crack so that he can turn him into a pusher and flood the local canine community with narcotic misery."

"You're right," said Molly sternly. "Soon posses of dogs will be cruising the 'hood with the Uzis, smoking blunts, icing anyone who disses them and boning their bitches in full view of small children who will then ask their parents embarrassing questions about what they are doing."

"Experience shows," Polly added, "that when the drug menace takes hold local poop-scoop bylaws count for nothing."

There was only one thing to be done. The

Solve your Saturday

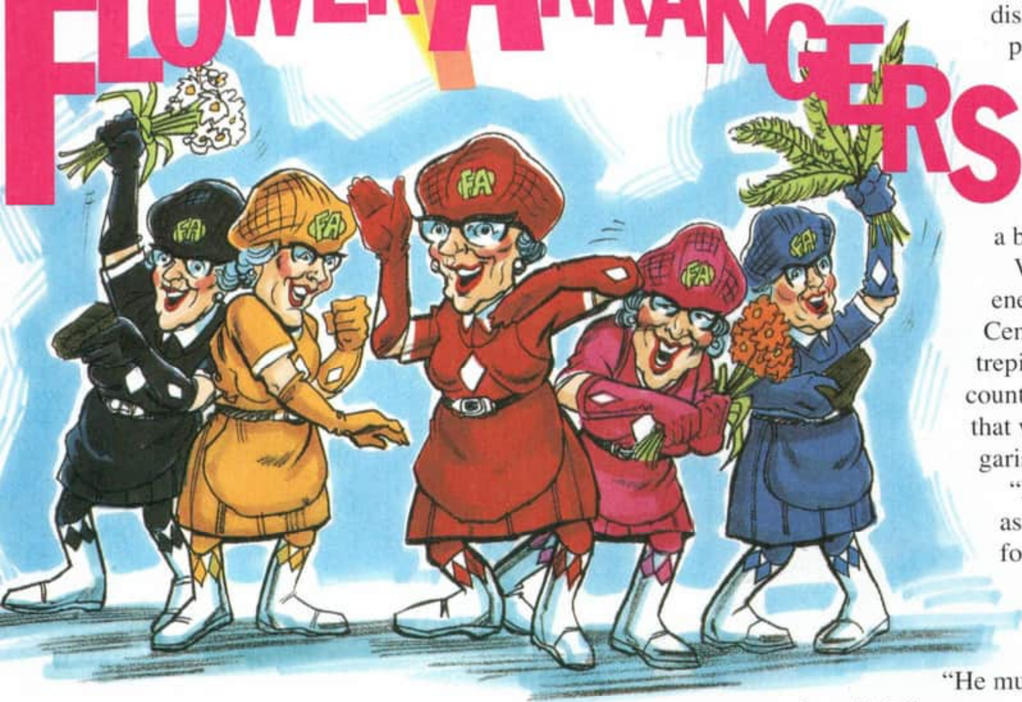
All right, it's this simple. You're bored. You want to go out, but somewhere different, with a mate, and piss yourself laughing, all for £30. What do you do? Well, forget the pub, forget a club, forget dropping an E and popping in to see your Granny make tea. Instead, open your Yellow Pages on Van Hire, rent the shittiest rust-heap they've got, put on some ripped jeans and trainers (nothing else, a bare torso and a gold stud in your ear is enough), and burn around town being... a van driver.

Yes, a van driver. Something not only happens to you when you get behind the dustbin lid wheel of a transit, but it also affects every other road user.

VANS TO AVOID

1) Clean ones.
2) Ones that aren't white.
3) Ones that haven't had the name of the last owner covered up with coats of gloss.
4) Ones from reputable dealers (ie, ones that have an office).
5) Ones where the speedo works.
6) Ones that don't fart out thick black smoke.
7) Ones with matching tyres.
8) Ones that don't have the back doors held together with orange bailer twine.
9) Ones with matching body panels.
10) Ones that don't have 'Also available in white' scrawled by some twat on the back.

MIGHTY MORPHIN FLOWER ARRANGERS



streets must be kept clean! Darting behind a nearby hedge the chums emerged moments later transformed. In nylon pinnies, rubber gloves and hairnets they were no longer powerless housewives: they were Mighty Morphin' Flower Arrangers, pledged to wipe out crime armed only with integrity, unity, a fucking irritating theme tune and expertise in the ancient oriental martial art of floral composition!

The superheroes charged across the road brandishing sweet peas, conical chunks of grey polystyrene and fern fronds for a traditional background of refreshing greenery. Cornered, the evil villain attempted to fight back, but even a water-cooled 9mm Glock is no match for a Mighty Morphin' Flower Arranger armed with a bunch of burnt orange dahlias.

Within seconds the man who had threatened to turn Netcurtain into a mini West Central LA was lying on the ground, the centrepiece of a stunning floral arrangement that counterpointed foliage with flower in a manner that was colourful without ever becoming garish.

"Nice work, Flower Arrangers," said Dolly as she surveyed the scene. "Another villain foiled and I particularly like the interesting use of moss and bark."

"Woof, woof," barked Tinker the puppy.

"He must have thought that was an order," quipped Molly.

"Ha-ha-ha-ha-ha," laughed the crime fighting chums in unison. ♣

A VAN

oredom blues by hiring a van!

Suddenly, you transform from a caring, witty, nice kind of guy into the sort of twat you hide from on a Saturday night. You slam your foot down, stick your tattooed arm out, put Radio 1 on, smoke Marlboros and drive like the fucking lunatic you've always wanted to be. But the best thing is, you can get away with it! People expect it!

They let you out at crossings! They wave you on first at the lights! They get out and beg you to run down their kids! And why? Because you must be a builder therefore you must be built like a brick shithouse! Now you can squeeze into spaces Kate Moss couldn't, park on double yellows (just shout "Delivery mate" to any traffic wardens), and hang out of the window and yell "Awight darlin'!" to any girl you see.

It's brilliant. Get your mate to put his feet up on the dashboard with an upside down A to Z on his lap, shouting to people "Oi! D'you know where Manchester is YOU CUUNNNT!" Put thirty copies of the Sun on the floor, loads of Big Mac boxes, tons of fag packets, and most importantly of all, brandish a clipboard, and you're off.

As soon as you stop at the lights, open the door with a piece of paper in your hand, walk to the driver behind you and say "Where d'you want it mate? Only hurry up I've got another one to drop off in Hackney AND I HAVEN'T GOT ALL FACKIN' DAY!!!!" Just watch the bastard's face. Then jam your hand on the horn when the traffic's moving perfectly smoothly and watch everyone in front pull over like they've suddenly had their back tyres shot. Let your mate jump out to see you back and let him slap his hand on the back of the van repeatedly after you've crunched into the car forty yards behind you. Park in the middle of the road, pop into the nearest pub for a pint and come out ten minutes later to find three miles of traffic seething in silence behind your van.

Spend the whole day being the dick you are desperate not to be. You'll love it! ♣

1) Better ring the depot, squire.
2) Watch it!
3) Cheer up darlin'; might never happen!
4) Cuuuuunt!
5) Hurry up, love, I'm on a double.
6) Well, I've got three dozen on my sheet, guv.

Havin' it Gettin' it Doin' it just for you

Hiya guys, it's the girl who'll do anything for fun here again, aching for a chance to dress up for you. This month, the tight bike gear is mine! Mind you, it's never got as hot as when I spent a summer's day as a despatch rider.

My gusset was wringing wet after the lycra had licked my labia into a frenzy as I peddled round town. If only there had been a firm-thighed Club reader there to let me ride on his crossbar. Someone to give me a hand with my heavy bags – the 38 inch ones I carry on my chest! They'd been bounced about by the bumps they too were in need of some TLC (tongue-licking and cuddles!)

In short, guys, I love the gear but there are better ways to get me breathless! ♣

letters to carrie

Dear Carrie,
Having discovered that I can get an eyeful of your tanned body and suckable love-lips every month, I've decided that you could fill my fantasies every night and I'd never run dry of dirty ideas. I don't know if you really are as sporty as you looked in last month's fanny flashing outfits, but you must be pretty fit. I can't get the image of us working up a sweat together out of my mind. Sucking and fucking we get more and more sticky, my cream-coated dick slapping into you as you hold your legs wide, your sweet face pouting as you urge me to fuck you faster, your jiggling tits glistening with sweat between us. Shit, my fantasies are so real I feel as if I know you already, can't wait to get to know you better! Stay fit and fuckable, Carrie! – *Lee, Malvern*

Reading your lusty letter, it certainly sounds as if you know me! I do like to keep in shape, and the best exercise I know has to be sex — it keeps my arse in shape, my thighs toned, and my pussy tight! Any guy planning on scoring with me had better get himself in shape first 'cos you won't find a more demanding lover. I'll take it every way you can give it, and still expect to run on into extra time!

Dear Carrie,
I'm sure I'm speaking for all my fellow Club lovers when I say how thrilled I was to see that you're going to be splayed across the pages as a regular Club treat. Being a guy who worships big tits, I get off imagining every pose you do is just for me. To make my month complete, would you pose for me in a wonderbra. I've been poring over my girlfriend's lingerie catalogue, lusting over how scrumptious your big firm fun-bags would look brimming over that black lace. Seeing you in the sexy secretary scenario would be ideal, peeling off your bum-hugging suit to pop out your beautiful boobs. I dream of having ages to kiss and stroke your plumped up pillows, finally wedging my stiff wick deep in your cleavage, unable to hold back from spunking my hot cream between. I've sent you a wonderbra with matching knickers, but I don't mind if you leave the panties off! – *Steve, Eastleigh*

Thanks for the gifts, I'm wearing your bra now, and looking down at them, my tits do look good, squeezed together. In fact the bra's a bit small, and my knockers are threatening to bust loose, just a little jiggle would have them tumbling free, so who knows what would happen if a guy like you was to give them a squeeze, you'd get a faceful! Maybe that was the idea! I love to show my breasts, so look forward to doing some bra shots for you as soon as possible. ♣

meets a taff...

DAZED, CONFUSED AND WELSH

Frazer Moss is 29 years old. He moved to London from Wales nearly ten years ago with a passion for clothes, records, girls, drugs and comics. He got his first job in Benneton selling shite before he landed a position managing Vivienne Westwood's shop in Davies Street.

Originally a fan of Westwood's clothes and the bands that surrounded her, Frazer became bored and refused to wear her labels at work. Increasingly irritated by Frazer's slacker attitude, his employers waited for any reason to get rid of the by-now scruffy bastard. Eventually, on an overcast Thursday afternoon, they saw their golden opportunity. After a hard night on the piss, a hungover Frazer fell asleep on the counter to wake up and discover that most of the shop's stock had been nicked.

Far from being fazed by his initial foray into the world of fashion, Frazer – along with partners and close friends Idris and Chris – launched their own clothing label, Professor Head. Professor Head produce their own tee-shirts (worn by Paul Weller) and also deal in antique sneakers and denim. Their success has enabled them to open a Covent Garden shop and to start Turpin Music, a record label whose second release, a comeback disc from soul survivor Linda Lewis, is currently the most played record on Japanese radio.

Frazer grew up in Langstone, near Newport, Gwent. Langstone, just like any small provincial town, is incredibly boring if you're a young individual with more than a spark of imagination. "We used to break into Wimpey show homes, knowing that there'd be people being shown around every hour," says Frazer, "and my mate Vince would be inside the house having a bath!"

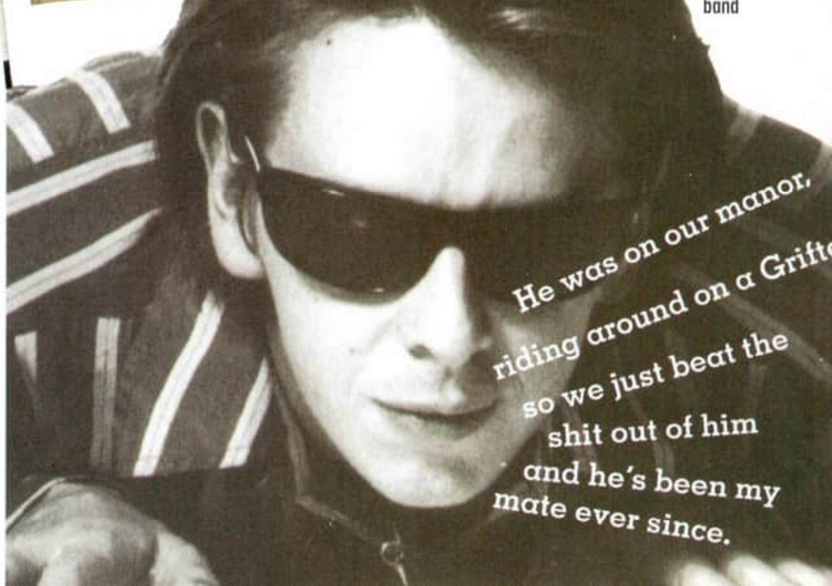
In any small town there are a family of misfits. In Langstone Frazer remembers The XXXXXs (*Fucking hell, Matt, are you trying to have my head stepped on by a bunch of sheep shaggers?! – The Ed*). "They were a huge family with loads of kids who all had ginger hair," remembers Frazer. "And they all used to wear flip-flops and tight satin football shorts with no pants on and you could see their bollocks hanging out," he says, clearly disgusted at the memory. "The worse thing is that we all thought they were really. Of course, all the kids were bald by the time they were fifteen."

Frazer went to secondary school in Chepstow. Whilst the rest of the country was listening to punk, Chepstow was still gripped by a never-ending summer of hippies. When the Sex Pistols shamed Bill Grundy on live TV, Frazer was more interested in getting closer to Led Zeppelin.

"Robert Plant used to spend a lot of time in Monmouth, which was just down the road," says Frazer. "Me and my mates were really into Led Zeppelin and we encouraged our girlfriends to sleep with him – just so we could brag that Robert Plant had slept with our birds!"

It was during this time that Frazer was to meet Idris who was to become, after a violent initiation, a lifelong friend and a partner in Professor Head. "I was a hippy, but coming from Wales I still loved a ruck," admits Frazer. "He was on our manor, riding around on a Grifter, so we just beat the shit out of him and he's been my mate ever since."

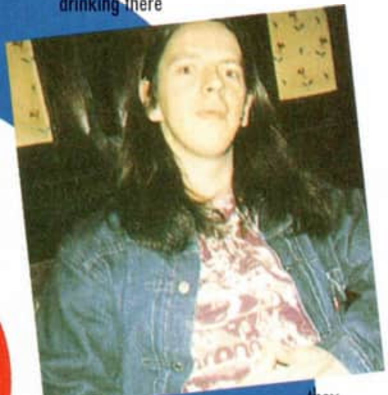
But the beating Frazer gave Idris on their first meeting was meek in comparison to the severe kicking Frazer went on to receive at the hands of Crazy Cavern and The Rhythm Rockers, the biggest rockabilly band



He was on our manor, riding around on a Grifter so we just beat the shit out of him and he's been my mate ever since.

Britain's ever had. They've been gigging since the mid-70s and are probably still going strong. Crazy Cavern came from another Underwood – a notorious industrial estate near Langstone.

"I used to go to the local pub in my afghan coat, knee-high tassel boots and long hair. I mean, I really thought I was Robert Plant! Anyway, it was Crazy Cavern's local too, so when I first started drinking there they would come up to me and say 'Nice coat, maaaan'. I really thought they were genuinely into my look, but they were psychotic rockabillies."



It wasn't long before Frazer met them again at a local party. Drunk and giving his mate a mouthful, Frazer's mate then got so pissed off with him that he offered the gang of rockabillies twenty fags if they would beat up the lanky hippy in the afghan.

"The funny thing was, though, that I was only 14 and the youngest of them was 28. They didn't hold back though!"

Standing at the urinals of a Soho pub pissing beer, Frazer tells me that it wasn't Crazy Cavern's beating that still haunts him, but an episode that happened on every 70s child's favourite playground: the building site.

> We'd get our birds to shag Robert Plant so we could brag about it!

"My mate Vincent says, 'Look I'm going into that room for a shit, if anyone walks in I'll beat the shit out of them, okay?' So like a mug my mate walks in, and Vince is squatting there having a shit. I'm looking over my mate's shoulder, when Vince looks up and grabs the turd as it was coming out of his arse and just threw it. My mate ducked and it hit me full in the face!

"It was in my eyes, there were poo-pips everywhere. I could smell it in my nostrils for months afterwards." Frazer isn't laughing.

Who says the fashion industry is full of posh kids who haven't suffered shit?

"I'm always getting there, but never quite getting there," says Frazer.

At least you're consistent.

"Yeah, consistently not getting there."

Britpap!

Could someone please explain this bizarre concept called 'Britpop' that the music press seem to be so obsessed with at the moment? Call me a cynic (*Okay. You're a cynic. – The Ed*), but the only requirements for admission to this exclusive little clique seems to be British citizenship and the ability to tell one end of a guitar from the other. Absolutely no talent is needed, as is proven by the fact that the utterly talentless Gene, the frankly laughable Sleeper and the painfully embarrassing Powder are all considered leading lights of the scene.

Britpop reached its excruciating climax recently when BBC2 screened a television programme called, rather imaginatively, *Britpop Now*. Hosted by Blur's Damon Albarn (the Queen Mother of Britpop), the programme attempted to convince the viewing public that Britain does indeed have some very good bands out there, but then failed miserably to show any evidence to back up their claims (the exception being Pulp and their *Common People*).

It's a shame that at a time when British music is going through a creative renaissance – thanks to the likes of Portishead, Pulp, Dodgy, Goldie, Stereolab, Tricky and Oasis – the music press still feels the need to create a cosy little club where they can dress up any old shite as Britpop and ram it down the throat of their readership. Just remember what happened to that thing they called 'Madchester'...

● Phew... now that I've got that little lot off my chest, it's time to get stupid once again and tell you about a wonderful band fronted by a singer with the curious name of Eddie Spaghetti.

Supersucker are a loud, dirty rock and roll band that sound so heavy they could eat Iron Maiden for breakfast. "We've always embraced the basic tenets as established by Ted Nugent and Satan," explains Mr Spaghetti. Variously described as 'godlike', 'goofy metal' and 'post hardcore power platter', you can judge for yourself when they release their new album, *Sacrilicious*, on Sub Pop later this month.

● John Squire of The Stones Roses may have damaged his shoulder when he came off his mountain bike in June, but it looks as if he may have received a severe knock on the head at the same time. After a five-year break from playing gigs, The Stone Roses are to test the fan's patience even more by letting Reef support them on dates in December. AaarrghHH!!!!!

● If you cast your mind back to February of this year, you'll remember that 'lipstick lesbians' Fem2Fem sent a premature heatwave through the capital when they played a couple of gigs. However, it pains me to admit that Fem2Fem are about as musically talented as my grandmother's arse – a view confirmed when I heard their new LP, *Animus*. Sorry girls, it sucks – unlike you lot, eh!

● Finally, it's interesting to see that Jamiroquai was named Angel of the Month by *Sugar* mag for retracting derisory comments about Robbie Williams. Our man at Glastonbury reported seeing Robbie and Noel from Oasis hunting down Jami with the intention of giving him a good kicking. Apparently the bout was over within seconds when Robbie managed to land a tasty right hook . Ooh er! ♣

Trying hard to look winsome is 21-year-old Barbara from Bradford.

"Oh fook it, this is 'opeless!" she says. "Sorry, lads, I can't pretend to be a fooking innocent little thing. I'm

a right little strumpet, if you wanna know the truth! I don't know whether butter melts in my mouth, but cocks do and I love doing it that way! I like the taste, and all the little ripples and ridges – just like Picnic bars. Milky Wang, the sweet you can eat without ruining your appetite – or your bloody teeth falling out!" ♣

HE SHOOTS HE SCORES!

Forget La Ciccolina and Sarah Young, says *Maurice Short*, the hottest stars in the adult video world are a footie team from Dulwich...

When it comes to sex, most men wonder what women want. Now, thanks to Blue Mask Video, we know the answer – they want to have sex with players from a Diadora Premier Division team. Not just any Diadora League team, mind. Neither a poking at Wokingham, a bedding at Yeading or a porking at Dorking will push the lift-off buttons, because, according to Dream Team (Cert, 18), every girl's number one sexual fantasy is to romp around naked with Dulwich Hamlet FC.

Personally I see no reason to doubt the truth of this statement. Women, after all, are strange creatures so the idea that they lie awake at night imagining themselves changing ends at half-time with one of East Dulwich's finest doesn't come as much of a shock. Now I know, though, at least I can adjust my habits accordingly. Next time Maurice Short goes out on the pull you can bet I'll be wearing that famous pink striped shirt, whispering the words 'Dog Kennel Hill' in the ear of any girl who gets close enough and tempting them back to my gaff with the offer of a chance to touch Willie Lillington's shin-pad.

● The news that Buenos Aires club Boca Juniors have signed both Maradona and Claudio Cannigia has delighted their fans. Rival supporters are pretty pleased too. In honour of both players' well-publicised one-time relationships with the old Peruvian marching powder they have rechristened the team Coca Juniors.

Not one to rest on his laurels, Dirty Diego recently grabbed the headlines by having a facelift, declaring, "I wear an ear-ring, but I am not gay", and saying that the greatest man in history was Che Guevara. Come on, Diego, I think you're being a bit modest there, mate.

● Another of Maradona's misdemeanours came back to haunt his nation during the Copa America finals in Uruguay. Argentina lost on penalties to Brazil in the quarter-finals, but only after a last minute equalising goal from the Brazilians that clearly involved the hand of striker, Tulio. After 'The Hand of God' now the Argies had 'The Hand of the Devil' to deal with. The Brazilian press were not embarrassed, however. One journalist writing that: 'Tulio's was an illegal goal of top pedigree, of untouchable respectability. I would let Tulio's goal marry my sister.' Too bad that the girl in question's busy fantasising about being on the receiving end of a banana shot at the Champions Hill Stadium, East Dulwich.

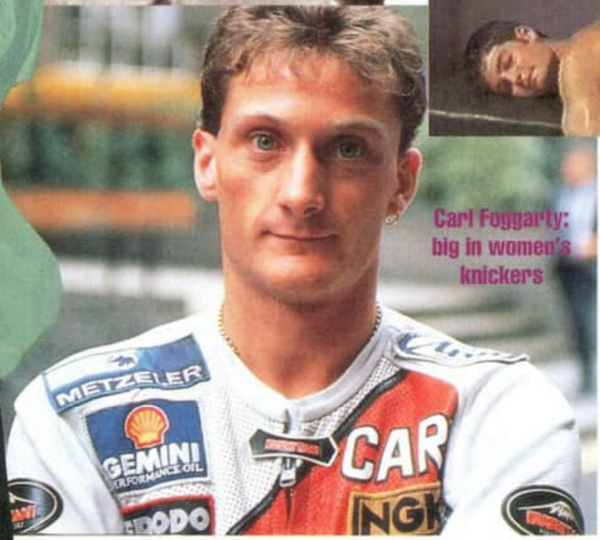
John Daly: down in one, down in one, down in one!



Carl Foggarty: big in women's knickers

● Forget Manchester United wallpaper and Blackburn lager, when it comes to hot merchandising gimmicks you have to turn to the glamorous, high-testosterone world of the superbikes. A pair of black lacy knickers bearing the name of World Champion, Carl Foggarty, could be yours for around a tenner.

Now isn't that better than a packet of KP Premiership crisps?

● The two Oxford boffins who have been wasting the taxpayers' money trying to prove that England's third goal in the 1966 World Cup Final was invalid may have got short-shrift in this country, but in Germany their research was welcomed with a furore that suggested they'd found a method for removing stubborn sauerkraut stains from leather shorts. It was hardly surprising then to hear that the German press called for the 1966 World Cup Final to be replayed! Obviously England would be at a slight disadvantage in this game: Bobby Moore is dead and George Cohen is fighting a battle with cancer.

● The idea of a replay of 1966 and all that, called to mind some of history's silliest sporting matches. World Heavyweight Champ, Jack Dempsey, for instance, was once signed up to fight a kangaroo. Muhammed Ali, though, did involve himself in a bout with a martial arts expert. The result was a snore-draw that even The Greatest couldn't make interesting. More recently African sports star, Roger Milla tried to arrange a match between Cameroonian Pygmies and Kalahari Bushmen. The 'mini-World Cup' never came off.

In the 70s a contest came about that really was worth watching: the so-called 'Battle of the Sexes' tennis match. This saw former men's singles champion, Bobby Riggs take on women's great, Billie Jean King. Riggs described himself as 'The World's Greatest Male Chauvinist Pig' and provoked the match by declaring that women were useless tennis players and didn't deserve the same money as the men (personally I'd say all tennis players are useless and don't deserve any money at all). Millions tuned into watch the match. Riggs didn't have the muscle to match his mouth and was blown away in straight sets. Mind you, he was over fifty.

● John Daley's victory in the British Open was proof that it is possible to make a comeback from alcoholism. Unhappily for him, the first prize was a silver claret jug. That's the breaks. ♣

tonguing my cunny. Then I have to take two of their cocks at once – sucking and fucking at the same time. Oh! That's got me all wet again. I'd kill for a serious fuck right now! Come on, you'll do!"♣

WIND YA BOOTY!

Jungle threatens to make the guitar redundant, predicts Matt Moore, who looks at the rising stars of the scene...

September 1995: So here comes the fab new record from Blur/Radiohead/Oasis. The face of youth in 1995 has become complacent; even your boring, overweight, middle-aged sister wants to take Damon Albarn home to wipe his sagging nostrils.

I'm glad I can't say the same about Goldie, the face and teeth behind the Metalheads bunch. Whilst the spivs have just got to grips with Rappers Delight and Curtis Blow at the once-a-year Xmas piss-up, Goldie and his jungle contemporaries have for the past three years changed the passwords, so that it's going to take fatty another fifteen years to learn the latest dance: JUNGLE.

'This isn't music. It's noise.'

That's the point. Yes, jungle is just 'mindless noise that you can't dance to', just as The Rolling Stones originally were, The Sex Pistols were, James Brown was, The Sugarhill Gang were, acid house was, Kiss were, Robert Johnson was – and Blur certainly aren't.

I only realised how much I really liked jungle, when two years ago I replied to a friend that I thought it was just 'mindless noise'. Just mindless noise! When and where do I start?

At groundbreaking jungle nights such as AWOL at the Paradise Club and Roller Express in North London for a start. Clubs that formed in the aftermath of the huge raves. Clubs where the audiences and the players owed more to hip hop, techno, soul, reggae, funk and inner-city streets than the 'cool' clubs with their fancy door policies, freemason DJ circles and whitewashed attitudes.

'You can't possibly go there. You'll get hurt. You're not welcome at Roller Express. Fuck off.'

Even better. If bloated, whitebread, twenty-something, middle-class, Guardian reading blots like me, Blur and all their mates don't feel welcome, then the jungle scene must be even better than I thought.

Good as Goldie: the only Jungle star named after a Blue Peter pet

> **"You're not welcome at Roller Express. Fuck off!"**

Fast forward to August 1995. Bjork likes jungle. There are jungle clubs that I feel welcome at. Goldie, fresh from playing Glastonbury, releases his *Timeless* album to huge critical acclaim. He also appears on just about every magazine cover. Crap techno musicians earnestly profess, 'There's always been an element of jungle in my music'.

Blur release *Country House*.

Refusing to tone down his past in order to be the latest toast on the coffee table, Goldie takes all his mates and their pitbulls on a space adventure, sponsored by every major record label, into the unknown. They still haven't returned.

JACKSHIT

"Jackshit have three rules. Rule number one: There are no rules."

August 1995. It's a Thursday night at Madame Jo-Jo's, London's most famous transvestite club. It's past midnight, and a drunk punk band are falling off-stage in between records by The Stooges and James Brown. The audience – predominantly ugly and overweight – here for club night Fantasy Ashtray are more beered up than they are E'd up, as the next disc jockeys take their positions behind the desks.

The music launches into a swirl of drum and bass taken from exclusive tracks the duo behind the decks have prepared earlier, mixed faultlessly with live fiddling around and the latest jungle releases. The manager warns the promoter, it isn't that sort of club.

The dancefloor is packed.

"Basically we could be two fourteen-year-old black kids who wear white gloves," says 42-year-old Phil, one half of jungle DJ and producer outfit, Jackshit.

Over my pint I stare at Phil cautiously. Is there any place in the jungle scene for a 42-year-old white bloke who used to test food for the Shah of Iran's son before the Ayatollah kicked him out of the country?

"Just look at *What Time Is Dread* by Dead Dread. The biggest opening jungle track last year, and it's two middle-aged geezers in Bedfordshire."

But with the new-found popularity of jungle in the charts and in style magazines, isn't it already dead?

"But you could say that about 1976," says Phil.

"You could say that punk was dead by 1977 and nothing else mattered," adds Paul, his 32-year-old partner.

After all, a lot of the most exciting and influential records that punk spawned came after it spread to other people who wouldn't have normally hung around the King's Road or art school.

"We want newness, we want to break out in front of jungle and see what comes out," continues Paul.

Phil, throughout his life, has been constantly involved in doing 'newness'. He performed the first live ambient set at Jimmy Cauty (KLF) and Alex Patterson's (The Orb) legendary ambient back room at the Back To The Future club. "People kept asking me if I was tuning up," laughs Phil.

Phil also co-created Adamski who he saved from washing dishes at his own restaurant, The Petit Prince ("We used to throw knives at the customers. They loved it!") that he ran for eight years in North London, where he still lives with his wife and two daughters. His eldest daughter has already started going out with her own mates to the sort of jungle splashes that her Dad couldn't even get through the door to.

"She's fifteen and on every guest list in the jungle world," he says proudly. "She said to me yesterday, 'Dad, I'm going to Voodoo Magic' and I told her that I was going to be there, and she says 'That's fine, I don't mind you being there, Dad'."

With forthcoming live dates in Spain and France, Phil and Paul spend most of the daytime tied up in their two studios producing both their music and, for financial reasons, pop videos for bands as diverse as the KLF to the latest R&S techno releases.

The duo, continually busy, are currently working on a reworking of the rude boy anthem, *Vietnam*, that will feature Shane McGowan on vocals and will be accompanied by jungle remixes. EXP, the record label run by The Grid's Richard Norris, is also looking forward to forthcoming work from Jackshit. They even manage to find time to make music for naughty videos released on the continent.

"The first one we did was called *Up Your Bum*, and it was just a load of shit."

Now that's what I call Jackshit.

Where the girls get down to business

BUM DEAL

If a man wants to impress me, then he'd better pay some serious attention to my bum! While some women would prefer getting their breasts fondled or to feel a wet tongue probing their pussy, nothing's more guaranteed to get me horny than to feel a man rubbing his firm hands all the way down over my bum cheeks as he slides his cock into my wet cunt from behind.

I'm pretty proud of my bum too. When I look down over my shoulders in the mirror, I have to admit that I like what I see. I'm 19-years-old with firm thighs and my bum is very pert. I love to fantasise about a man kissing every inch of my warm flesh and I get become so turned on at the thought that I have to lie back and bring myself off right there and then.

Of course, I get quite a few comments about my bum whenever I go out clubbing – which isn't really that surprising when you see what I wear! I love to put on a pair of tight jeans or a short mini-skirt, and a few of the guys that I've ended up fucking have confessed that they just couldn't keep their eyes off my bum when they first saw me. And clubs are definitely the best place where I've had my wildest nights!

He shot his creamy load all over my pert tits

About two months ago, I was out with a couple of girlfriends and I couldn't help noticing a good-looking bloke giving my bum the once over whenever I went to the bar. I liked the look of him too, so when I went back to the bar later on I gave him the serious come-on, nodding my head towards the ladies' toilets. I headed for the loos and waltzed in, tingling with excitement about what was to follow and hoping that he'd have the balls to follow me in. He did. I dragged him into one of the empty cubicles and locked the door.

I put my fingers up to my lips to indicate that I wanted him to be quiet, then bent over so that the skirt I was wearing rode right up over my knickers. He didn't need any more of an invitation and pulled my panties down to my knees so that my pussy was exposed, all damp and glistening.

The prick that I felt nudging between my pussy lips felt gorgeous. I adore being fucked from behind – and this bloke knew exactly what he was doing. He was really working his prick around inside my pussy, his hands caressing my bum at the same time.

By this time I could feel my new lover tense his body and he shot a thick wad of spunk deep inside me. I'd already experienced a couple of little mini-orgasms, but that set me off and I yelled as an orgasm pulsed through me. The sex was quick and intense – all over in five minutes, maybe – but it was fantastic and we both left without exchanging numbers or saying a word.

When I returned to my two girlfriends and told them what had happened they couldn't believe it, and so began our club game. The object of our little adventure was to fuck blokes in clubs without even talking to them or letting them know our names. After all, actions speak louder than words and a little wiggle of our bum seemed to let guys know exactly what we wanted!

There's always plenty of young, horny blokes around town who'd love to fuck any one of us, so we were never short of opportunities. After a while, however, it became a bit boring and one night I decided to up the stakes.

Last Saturday night, I was feeling particularly horny and told the girls that I wanted to take two blokes on at once. I'm sure they didn't believe me, but ten minutes later I was in a cramped cubicle with two fellas.

Mike and Peter were brothers and they couldn't believe their luck as I slid down both their flies and took it in turns to bring them both off. Mike came first as I pummelled his helmet with my lips and he shot his load down my throat. That left me free to concentrate on Pete's cock, working hard on it with my hands until he shot his creamy load over my pert tits as I lifted up my tee-shirt. Again I didn't utter a word as I leant back against the cistern, peeled off my knickers and then ordered both blokes to take it in turns to make me come.

Pete went first; his thick, long cock pistoning in and out of my tight cunt as Mike

stood watching, wanking furiously. It was a real turn-on to watch him tugging himself off, and I squealed with delight as he came and an arc of spunk shot through the air!

Pete then increased his pace and bucked as he shot his load inside my cunt and I screamed as I was gripped by an amazing orgasm.

After that, the competition between us three girls stiffened (excuse the pun!) and I've been toying with the idea of taking on an entire football team! If any of your readers play in a Sunday league team, maybe you'll just meet your match if you fancy ninety minutes with me! – *Anna Marie, Hull*

BARBECUE BASH

My boyfriend Mike and I enjoy reading the confessions in Club, and we both thought it was about time we let your readers in on some of our own sexual exploits. One that stands out in my mind is the time that Mike invited two friends over for a barbecue one Saturday afternoon. I was to keep them entertained in the conservatory while Mike cooked dinner in the garden. Their names were Richard and Steven and they were about the same age as Mike who is 26-years-old.

I'm 21-years-old with long blonde hair, blue eyes and a slim and very sexy body. I'm proud of the way I look and love to show off my body in skimpy clothes. On this occasion I wore a white top and some short hot-pants in order to exhibit my firm arse as much as possible. It seemed to work as it was obvious both Richard and Steven couldn't keep their eyes off me. Being a real exhibitionist I couldn't help but feel aroused as they stared at my scantily-dressed body, their eyes scanning every inch of me. It was all too much, my pussy was tingling with excitement. I just had to show them more!

As with most conservatories we have several plants which need to be watered often – and I decided to use this as an excuse for putting on an exhibition! I said that I had forgotten to water them and asked the boys whether they would mind if I did so now, to which they both replied that they didn't. I was soon parading around in front of them, showing every angle of my body, making sure to bend down as low and as often as possible to ensure that they had a good look at my bum. The more I did it, the sexier I felt and the more daring I became, wiggling my bum and letting my hot-pants ride up the cheeks of my bum.

It was at this point that Mike came in from the garden and, seeing the look on Steven and Richard's face as I bent over, realised exactly what I had been up to! "Stop teasing them," he said. "Show them what they want to see." Mike loves to show me off and I knew he wasn't joking, so standing up straight, I walked over to where they were sitting, threw back my head and lifted my tee-shirt to reveal my pert breasts.

I squeezed my tits together and felt my nipples harden

"Do you like my tits?" I purred as I squeezed them firmly with both hands, feeling my nipples harden under my fingertips.

It was all too much for Steven. He undid his flies and pulled out his thick cock and began to wank himself off. This only encouraged me further and I lowered my hot pants to show him my lacy white knickers. Shoving my bum as close to his face as possible, I then began to ever-so-slowly peel off my panties to reveal my dark moist cunt. He came straight away, shooting hot creamy spunk all over my bum.

Mike and Richard were now naked and stroking their cocks. Getting down on all fours and thrusting my bum into the air I begged Mike to fuck me. "Oh, yes," I moaned as I felt his thick cock thrust its way deep into my tight, wet hole.

As he serviced me, I could see Richard's prick before me. It looked so appetising and the end of it glistened with pre-come. I knew I had to have it fill my mouth, just as Mike's cock was filling my pussy. Looking up at Richard I licked my lips and pleaded with him to enter my mouth. Richard drew himself closer and I wasted no time in licking and sucking on his dick.

Meanwhile my snatch was in ecstasy as Mike fucked me harder, pushing his eight inches inside me. With a jolt I came, and at the same time felt Mike empty his balls into me. My entire body was quivering and I let go of Richard's prick and gasped, unable to control myself.

Regaining myself I looked over to where Steven was sitting and said, "Come and take Mike's place in my pussy." He hesitated for a second, looking over at Mike. "Do it!" I commanded knowing that Mike enjoys watching me being screwed. Steven wasted no more time and was soon submerging his tool between my lips.

Grabbing hold of Richard's prick I guided it back towards my tongue, licking his shiny helmet and wanking him off at the same time. It wasn't long before I saw his body tense as he shot thick spunk all over my mouth and chin. Licking my lips I tasted his saltiness and knew that I wanted more.

"Come here, Mike," I moaned as Steven continued to pound my snatch, "I need more cock." Mike loves it when I talk dirty and his cock stiffened before me. The sight of this coupled with the hard shagging I was getting from Steven drove me to another orgasm. I could hardly suppress the screams of excitement as my body shuddered; Steven having to hold my hips in order to stop us separating.

Exhausted, my head bowed, I found myself staring at the tiled floor, my long blonde hair brushing against the contrasting red brick. I soon felt Mike lifting my head, his firm hands guiding himself into where Richard had been moments before. Fucking my mouth. It felt so good to be fucked like this, both my lips being satisfied at the same time.

It wasn't long before I began to sense that Steven was close to coming and I worked on Mike's cock in order to feel the sensation of them coming at the same time. Sure enough, just as Steven was emptying his load in my cunt, Mike squirted his spunk straight down the back of my throat. Oooh, it was so erotic being filled up in this way and I orgasmed again, falling to the ground in a tired heap.

What about the barbecue I hear you ask? Actually, it got burnt and the boys had to order a pizza! As for me, well I'd had more than my fair share of hot meat that day! – *Samantha, Essex*

PICTURE THIS!

I left college two years ago and it's been a real slog to find work ever since. I was trained in marketing but there's just nothing doing in those areas. I can't tell you how many jobs I've applied for; I've lost count, but it must be into the hundreds. Loads of the letters came back saying that I was over-qualified for the posts I was applying for, and others just didn't bother to reply at all.

A couple of months ago, I was racked off with the situation and I decided that I would have to start looking for something else to do. I thought about modelling, as people are always telling me that with my looks I should do it. I've always been very proud of my figure, and work out at a local gym to keep my body in shape. I'm 34-24-34, with long legs and a lithe, slim figure.

However, when I approached a few agencies, they all said I was too short for the kind of work I wanted to do. It was only when one woman suggested that I would make a good artist's model that I considered the possibility.

"My friend Ellie is a painter and I know she's always looking for people to use as models," I was told. "I know you're the kind of girl she'd be looking for.

Well, by this time I was willing to try anything to get some work. I left the agency office with Ellie's phone number in my pocket and called her as soon as I got home. She sounded very friendly, quite posh and with a sexy, purring voice.

"Describe yourself to me," she asked, and to my surprise I could feel my pussy start to moisten when she said that.

"Well, I'm about five feet one but my legs are pretty long," I said. "And I've got long curly brown hair. My tan's quite golden at the moment, and I'm in good shape." I laughed. "Some people even say I have a virginal look about me."

She had two fingers inside my sticky hole

"Mmm, that should suit me very well," Ellie told me, and explained that the work she was about to start was supposed to hark back to the Victorian era. "A virginal look is just what I need."

I laughed and told her that I wasn't exactly a virgin, but that I'd do my best to look the part. Ellie's voice had a curious tone to it as she asked me to go to her studio at ten the next morning. "I'm looking forward to meeting you," she purred. And you know what? That conversation was such a turn-on that I was trembling with excitement at the thought of meeting Ellie. No woman had ever had that effect on me before.

Ellie had asked me to wear black as that would give her the best skin tone that she was looking for to do the preliminary drawings for her work. So I wore my best black dress, which came down to just above my ankles and showed off my cleavage with its low-cut front. High heels added to the effect, and I felt quite vampy as I stepped out of the taxi outside Ellie's studio. I hadn't realised that it must be at her home, but I was in front of a very smart looking Edwardian semi. I guessed that she must have built a studio in the attic.

But I could never have guessed the reaction I'd have when I first saw Ellie. She opened the door to me – and she was the most gorgeous woman I'd ever seen!

I reckoned she must be about 30-years-old and, like me, she had long dark hair, but hers was straight. She was wearing a skin-tight black body suit and matching skirt which covered her whole body but revealed just about every tiny contour – and what a body it was.

"You look as good as I'd imagined," Ellie said as she led the way upstairs to her studio. I couldn't take my eyes off her tight bum under that skirt, wondering what it would be like to slide the black material up and run my hands over her bum. I noticed that she had a tattoo around her ankle, and I could picture my tongue tracing its outline as I caressed one of her feet.

She showed me around the studio right away, though I can't say that I noticed anything. I was too aware of Ellie's smell, and the fact that I could smell my own come juices into the bargain. They seemed to fill the room as we walked around. My little black knickers were saturated.

Ellie worked steadily for a couple of hours, seemingly not taking any notice of me

except in a professional way. But I could feel the sexual tension building up every time we exchanged glances. It was quite warm under the studio lights, and so I was relieved when Ellie asked me to pull my top further down at the front.

"In fact," she said, "why don't you take down your dress? You'll be cooler than way, and I only need to sketch you from the waist up anyway." I undid my dress and slipped off to mid thigh.

Ellie then came over to where I was perched, and move me around for a different angle. Her hands brushed against my bare thighs, and I shivered again.

"You're turned on, aren't you Carly?" Ellie whispered as her fingers started to stroke me. "I knew you were – I could smell you."

All I could do was nod as Ellie began to stroke me in earnest, using her tongue on the back of my neck and her hands on my thighs. It was only moments before I felt her fingers pushing under the wet crotch of my body.

"Mmm, have I done this to you?" she murmured as I felt her fingertips brushing against my pussy lips. Then she had two fingers inside my hole, and began to stroke me slowly towards orgasm. There was no way she hadn't done this before with other women – her touch was just too experienced.

Ellie now removed my dress so that I was naked except for my undies and shoes. By now, she was fondling my nipples through my bra with one hand, the other still taking care of my aching pussy.

I murmured to her that I wanted to see her body, and so she helped me to undo her skirt and take off her body suit. She was in great shape, and like mine, her knickers were soaked through. She sat down on the edge of the couch and watched as I removed her knickers as well as pulling her skirt from around her ankles. Her pussy was now fully on display for me for the first time.

I breathed deeply to get the smell of her pussy juices in my nostrils. It seemed instinctive for me to bury my face into the hairy mound and just start licking. Although it was my first time doing this, I just imagined what I'd like to have done to me, and did that for Ellie.

The first taste of her juices was so delicious that I almost lost control, licking and sucking with my lips on her rock-hard little clit.

"You're making me come," Ellie kept on murmuring, but she didn't seem capable of saying anything else.

Ellie seemed desperate to climax, and reached down so that she could use one of her fingers to work her clitty hard and bring herself off. Her climax was loud and shattering, her thighs clamped around my head as she completely lost control.

It took us a few minutes to get our breath back. I licked my lips to swallow down the last traces of Ellie's pussy juices, and then lay on the

She slowly ran a finger along my wet pussy slit

bed next to her. "That was wonderful," she told me. "Who on earth taught you to eat pussy like that?"

When I confessed this was my first time, she couldn't believe it. "No woman has ever eaten you out before?"

"No," I grinned.

"It's far different than being eaten out by a guy," she promised, and was as good as her word, too. She told me she wanted to make my first time special, so she lay me down on the couch with cushions under my bum to push it up so that she could get her face as close as possible to my pussy. Then she knelt between my legs and started to run one finger up and down my pussy slit. "You see how good that feels?" she whispered. "My tongue will be better."

And she wasn't wrong. The first touch of the tip of her tongue at the entrance to my pussy hole sent me into orbit. I felt as if I was exploding as my orgasm washed through my whole body, starting at my pussy and working outwards. It was the most delicious and intense feeling I've ever had.

Well, as you can guess, Ellie's painting project has taken longer than it was supposed to. I've been spending all my time at the studio, and Ellie has taught me more about sex in the past couple of months than I thought it was possible to learn in a lifetime. Now she wants to introduce me to her regular love Julia, and I must say that the prospect of two women fucking me at the same time is exciting. When it happens, I'll be writing to *Talkin' Blue* again. What's the betting the painting still isn't finished by then, though! – *Carly, Avon*

HOLIDAY BLUES

Playing away from home

OOH-LA-LA!

When I left my home in Lyon, France to come to London for a long holiday and to try my hand at modelling, I couldn't possibly have dreamt that things would turn out as exciting as they are now.

I came here six months ago as a very naive 19-year-old, but since then I've had nothing but good times and I've enjoyed some very wild nights out with my new friends. I have to admit that I had this image of the British as straight-laced people who knew nothing about sex, but now that I've measured the relative merits of both nations (in more ways than one!) I can tell you that the British come up as winners every time!

In fact, I met my first British lover the first day I was here. I took my portfolio around to an agency that specialised in fashion shoots because that was originally what I had wanted to do. The fashion editor who had asked to see me was called Jill and she was very complimentary about my photographs.

"Have you just arrived here?" she asked. I nodded innocently and she flashed me back a sexy smile.

"Maybe you'd like someone to show you around the sights," she said. Of course I was glad of the offer, so arranged to meet Jill later that evening in Covent Garden where we had a few drinks with some of her friends. They were all very glamorous and I felt a bit shy about my own looks. However, as the night went on and we got more and more drunk, Jill started to

tell me how much she liked the way I wore my hair, the way I dressed and the way I smiled. I must admit that I liked everything about her too, especially her breasts that she liked to show off with a low-cut dress.

When the pub closed, we headed onto a club although I soon lost track of time and found myself with no way to get back home. "Don't worry," said Jill. "It's a ten minute cab ride back to my place, you're welcome to stay there tonight."

When we tumbled into the back of the cab the atmosphere was electric. I wanted to kiss her, to touch her soft skin, to taste her love juices on my tongue, to bury my face between her legs. I was sure that Jill was feeling the same way too, she sat there with her legs slightly apart and I could see a damp patch glistening on her black satin knickers. Jill couldn't keep her gaze from my legs and took every opportunity to touch them, brushing her hand up the inside of my thigh until she almost reached my pussy.

By the time we arrived back at Jill's flat I think we both knew what we wanted. The minute the door to the flat closed behind us Jill pushed me against the door and slipped her tongue into my mouth. I'd never been kissed with such passion before, and as I felt her damp, long hair falling over my own face I felt a hand moving up under my short skirt, pulling the material of my panties aside and then a slim finger sliding up inside my mound with ease.

Her tongue slipped into my cunt

Jill started to gently rub my clitoris and my legs almost buckled, but I kept enough strength to push Jill off and take her hand.

"Bedroom," I gasped and she led me there without saying a word. The minute we were in the room we began slowly undressing each other, the sense of animal urgency replaced by a desire to enjoy every moment. Jill was an expert in the art of sensual lovemaking, taking my nipples into her mouth one at a time and working her tongue around the sensitive bud. I moaned with pleasure as she kissed her way over my body and then manoeuvred us into a 69 position.

Her tongue slipped easily

into my cunt and I shook with desire as I copied her every move. I'd never even kissed another girl before this moment, and I wasn't really sure what to do, but Jill was an excellent mentor and the two of us were soon writhing around on the bed together. It didn't take long before I screamed out loud as an orgasm shot through my body and I almost passed out on the bed with its intensity. By the time we finally fell asleep it must have been five in the morning and my body felt drained of all energy, but thoroughly satisfied.

I still see Jill and we have great sex together, but there are so many beautiful and horny people in London that you can't possibly limit yourself to just one partner. I realised that I could not limit myself to simple fashion work either, and decided that nude work would be a good career move. After all, I know that I've got a great body so why not show it off?

Purely by chance, I got a lucky break when I met a young man called Ian in a club in West London a few days later. We got chatting and I told him about my desire to do some nude modelling. He said that he could introduce me to a friend of his, Adam, who was a photographer. "Could you arrange for me to meet him tomorrow?" I asked.

"No problem," he replied.

"That way we can go straight there from your place in the morning," I told him, adding a sexy wink. I don't think Ian could quite believe his luck, but I knew there was no way he could refuse my offer. I was right!

We left the club and headed back to his place. I didn't waste any time with formalities, simply ordering him to undress and then pushing him onto his big, brass bed and fucking his brains out! His cock felt wonderful as he powered into my cunt from behind, bringing me to three or four incredible orgasms.

I spent that night at Ian's flat and the very next day we both headed off to Adam's studio where we had arranged to meet him. Adam was a charming man and soon put me at my ease. He started off taking a few shots to check the lighting and I relished both men telling me how good I looked.

His cock felt wonderful as he powered into my cunt

"How about taking off your dress so that we can see how you really look?" said Adam. I was a bit nervous, but as soon as I started posing in my underwear I felt very comfortable and started to enjoy the attention.

Over the next hour or so, Adam took loads of pictures and I felt very turned on as they both commented on how good I looked. By the end of the session I was feeling so aroused that I wanted to have both boys right there and then.

"You've seen me with no clothes on, Adam," I teased. "How about taking some of yours off now?"

"I'm not joking," I told him. "That's quite a bulge you have in your trousers – I want to see your cock!"

"Okay," he said, dropping his trousers to reveal a prick that was almost as thick as my wrist! I gasped as I moved nearer, studying every vein and marvelling at the purple helmet. God, I couldn't resist it a moment longer and dropped to my knees in front of him and started sucking on his cock. I bobbed my head back and forward, slowly at first and then moving faster and faster until I could feel Adam's leg's start to jerk as he unleashed a wad of spunk down my throat.

"I want you both... now," I purred, lying back on the floor so that Adam could fuck me properly. Ian squatted down and fed his cock between my lips. It's always been my favourite position, having two men giving me their undivided attention at the same time. When it comes to making a man come, I can judge exactly when he's ready to shoot his load and I worked at both cocks, eager to taste two lots of come at the same time. This time it worked perfectly and as Adam shot deep inside me, Ian pumped his load into my mouth.

Naturally, I seemed to get a lot of work from Adam after our first meeting and often our sessions begin with him fucking me on the floor of his studio! Of course, we still find time to take some photos and I hope you like the ones I've sent you. These ones were taken just after I'd fucked a Swedish girl called Katrina. If you like them, then let me know and I might just send some of the more ruder out-takes into *Club*! –*Yvette, London* ♣

TOP MODEL IN HARD-CORE PORN VIDEO SHOCKER!

Exclusive by Ray Walker

● EVE – UNCUT

Top model Eve Vorley has sensationally admitted that she has finally given in to temptation and made her very first Hardcore Porn Video. Family and friends were shocked to learn of her involvement in the sleaze video but Eve herself was adamant: "It's something I'd always dreamt of doing and when the opportunity came my way I jumped at it and I do mean jumped, I am proud of it although now I've seen it finished, uncut, I myself was shocked at how porny it is – it turned me on again seeing myself on the video being taken every which way."

The Producer was unavailable for comment though a spokesman for the Video Production Company said: "It's the hottest video we've done, Eve not only has a superb body but her appetite for sex

SEE HER AT IT

NOW available in the UK DIRECT TO YOU

We have been able to get hold of sixteen — yes, sixteen uncut and uncertificated films from the sex capitals of Europe AND are able to offer them at SPECIAL OFFER PRICES — these films are UNCENSORED BY THE BBFC. To get around import restrictions we have to offer these very special films in pairs and sets of four but this will reduce transport and handling costs so they come to you even cheaper!

SET 1 *WORTH *£200 — Special Offer Price £19.95*

John Holmes & Ursula
EXCITING

John Holmes and Ursula
The Man with the biggest weapon in the business uses his ten inches to great effect — Lucky Ursula takes it from every angle in this **uncut** special. Every sex act imaginable, all in graphic detail.

Exciting
Another classic previously only available on the Continent. Full of the best from behind penetration you will ever see. A sensational uniform lesbian scene. We're talking hot, hot action.

Dick Rambone Does Buffy Davis
And he does!!! Big buxom Buffy is "done" in every conceivable position with Dick's throbbing rampant digit. Finishes with a terrific two on one scene. Good close-up and penetration shots.

Seka Special
Probably the most explicit film we've been lucky enough to see. Superb oral action. An excellent porno nurse scene and a memorable orgy. Seka is incredible. This really should not be missed.

*This set will sell individually in shops for more than *£200 in total. They're yours for only **£19.95**. Yes, £19.95 for all four not £19.95 each.*

WARNING: All these films are uncertificated, imported from Europe. These films are totally uncut featuring harcore scenes. These are not for sale in any other outlet in the UK. These films contain highly explicit sexual material. They feature close-ups of intercourse by groups, lesbians, males and females.

SET 2 *WORTH *£200 — Special Offer Price £19.95*

Sexy GIRLS
COLOR CLIMAX

Sexy Girls
Packed with well-built horny girls and a variety of household implements plus total oral explosion and a very large selection of very large hot rods. Horny mixed action and a variety of pleasuring positions.

Color Climax 125
Exactly what you would expect from this classic Scandinavian title. Excellent ejaculation action and hot lesbian scenes. Open legs, open mouth, open up and in he goes — it's hard, fast and explicit.

BLUE SCREW
BLACK TOP

Blue Screw
The best group and lesbian action available. Full penetration, orgasm and oral/toss. This film is guaranteed to bring you instant sexual relief. The three girl lesbian orgy is a classic. You'll find their antics incredible.

Black Top
A special for gays, and girls who like their man big. This is a hot all male film with more rigid muscle than we've seen before. Absolute filth and smut, full of torrid sex action.

*This set will sell individually in shops for more than *£200 in total. They're yours for only **£19.95**. Yes, £19.95 for all four not £19.95 each.*

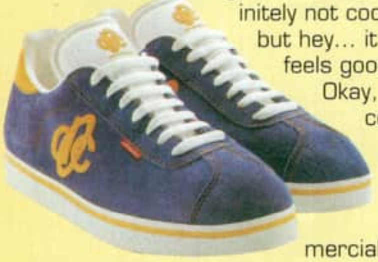
deConstruction Classics
deConstruction

This cheeky medley has got more cheesy, smiley classics than you can wave a shitty stick at. Full of those choonz we used to love and now love to slag off, it's probably not big or clever and definitely not cool, but hey... it feels good! Okay, it's commercial and, yes at times, it's unadulterated 100% handbag but you can't help but grin, remember the good old days and 'raise those hands'.



Despite the ubiquitous and rubbish M-People and Kylie (the inevitable money spinners of the label), I dare you not to prance around like a ponce to N-Joi's *Anthem*, 'feel the melody that's in the air', oh yeah. Other great tracks include Bassheads' *Is There Anybody Out There?*, the unforgettable Felix track *Don't You Want Me* and, of course, K-Klass' *Rhythm Is A Mystery*. After 30 minutes of this you may fill up and yearn for those halcyon days when you were young, gorgeous and less cynical and only needed to say the word 'club' before you came over all Pan's People. If only it were that easy... ***Rating: Yeah, yeah, yeah, yeah***

HAVIN' IT STATESIDE
VOLUME ONE
MASTERMIXED BY BENJI CANDELARIO

TOURNESOL

Moonfunk. R&S

You need to approach this record with an open (or completely fucked-up) mind. Space cadets Tommy Gee and Thomas Totor's third album is a monumental escapade into deepest space. The lengthy electronic abstractions into ambientness comes complete with all the prerequisite whirls, loops, bleeps, bubbles and rattles of a Steven Spielberg sci-fi.

The electronic wizardry is all very clever, but the constant aural sonic assault soon becomes tedious and self-indulgent. Having said that, there are three or four diamond tracks of sheer excellence that are worth waiting for. The most outstanding being the aptly-titled *Break 'n' Space*.

Whatever you think, *Moonfunk* is different and is certainly hard to pigeonhole. Although with ambient/dub/electronic/funk/rap influences, it's just a trifle confused. Is your head in bits? It soon will be... ***Rating: Yeah, yeah***

Havin' It Stateside. 21st Century Opera.

It's funny that once the idea of a havin' it compilation seemed a novel idea. Not anymore. Now that we have collectively thrashed the hide out of the Holy trinity of clubs, house music and drugs, havin' it all seems a bit – well *sad*. I for one have had it up to my eyeballs. In fact, I've had it so my eyeballs have nearly dropped out. Had it, been there, done it...

But unexpectedly New York's Benji Candelario's mix through current US house productions isn't half bad. The garage and house selections are deep and soulful and, surprise surprise, it's really rather mellow. If you were expecting the usual hands-in-the-air hysteria you might be disappointed. There's classic names here like Victor Simmoneli and Ralph Rosario, as well as enough good, familiar garage tunes to keep you in party mood. ***Rating: Yeah, yeah, yeah, yeah*** ♣

clear that Andy will be joining us and she's as keen to play as us, the three of us tumbling into a taxi and heading back to our place. Once we're inside, we head straight for the bedroom where we all begin to help each other out of our clothes. Our bed is big enough for three, and rolling into it, we begin our passionate exploration.

It turns out that Elizabeth is bisexual too, and is fascinated by the size and girth of Andy's big prick, her long dark hair hiding her face as she runs her tongue up and down his thick shaft. As I slip a finger inside her wet pussy, she looks around innocently, her face contorting with pleasure as I ease another finger up inside her. Her large breasts are firm and round, the nipples stiffening as Andy eagerly sucks on them. We've found a woman built for sex, and are going to make the most of her!

Everyone is now ready to be fucked, and I lie back and spread my legs as Andy massages my aching clitty. I'm panting with desire as she squats over my face, leaning against the wall as I pull her hot cunt down onto my mouth so I can tongue her. My own pleasure is increased as I feel Andy's familiar hot tongue exploring the fleshy folds of my cunt. Pressing the tip of his tongue onto my clitty, Andy brings me off, making me suck even harder on the engorged love-bud between my lips.

in and out

The hipster's guide to what's cool and not hot this month...

IN	OUT
Oasis, the drink	Oasis, the band
Lying	the truth
Baseball bats	baseball caps
Dannii Minogue	Kylie Minogue
Muff diving	scuba diving
Beef	Reef
Hooch	gin and tonic
Red Bull	Coca Cola
Kinky Orgasm	Pushca
Blues in Dean St	Blu Loo

Faced with two pussies both needing attention, Andy kneels behind us as we perch on all fours in front of him, kissing and fondling each other's swinging breasts as he fucks us in turn. Grasping me firmly by the hips, he plunges his prick right up inside me, bringing me almost immediately to the brink of orgasm before whipping his cock free and sliding it up Elizabeth's cunt. She's gyrating hard against him, before he withdraws and returns to my pussy, hammering home until I come, trapping his spunk-pumping horn between my spasming muscles.

Andy lies back on the bed and watches, wanking furiously, as my new bisexual lover and I turn to face each other. We twist into a 69 so that we can guzzle the tangy juices from each other's well-fucked pussy, running our tongues along the wet slits and drinking up every delicious drop of come. Andy can't bare to just sit and watch any longer, and he pulls me on top of him so my full weight drives his cock right up inside me.

Our fantasy goes on, yet to be fulfilled, so any sexy ladies out there wanting to join in on the fun, get in touch with us soon. – *Cath, London*

EX SEX

I'm sure it's happened to loads of Club readers – you bump into an old flame, not having had it for a while, and remembering what a great shag she was, you go for it again. Sure, you tell her it's for 'old times sake', but you just know it should be easier to lay her than to find someone new.

Well, this happened to me when I bumped into my ex-girlfriend, Tina. I gave her my phone number, and when she phoned me the next day, I invited her round.

She looked even better than ever (isn't that always the case!), and inevitably we ended up rolling around on the sofa, my fingers easing inside her knickers. It didn't take long before we were both naked, and I was glad to find that she hadn't lost her fine figure or forgotten any of her old prick-pleasing tricks. Her breasts were glorious, full and high with pointed nipples, and I buried my face between them as she wanked me. Because we'd fucked so many times in the past, we knew just what the other wanted, and I didn't hesitate to release my seed inside her mouth as she wrapped her lips around my cock.

It seemed that Tina had been deprived of dick as long as I'd been craving pussy, 'cos bending over the couch, she held her pussy lips apart and urged me to fuck her.

I eased her legs apart, burying my fingers inside her tight cunt. I'd never seen so much cream flow out of a pussy as she came, and I knelt down to lick up as much as I could as she wiggled her crotch in my face.

She was so dripping wet that sliding my shaft inside was no problem, and we began fucking like animals. It was one heavy duty fuck, and once she'd had her first orgasm, Tina showed me some more of the orgasmic tricks she'd learnt since we last fucked. I reckon they're too rude for you to print though!

We've had a few more dirty, happy shags since that randy reunion, so if any other readers feel the urge to fuck an old flame, take my advice and go for *it!* – *Alex, Croydon*

TEMP-TING

I'm a single girl of 22, and at the moment I'm working as a temp. Until recently, I hadn't realised the true joys of sex, having only ever had a few inexperienced boyfriends. At last though, I've found someone who really appreciates my slim, big-boobed figure.

Last week I was sent to work at an office in the City for a few weeks. My boss was a guy called Craig and we hit it off straight away. He was an incredibly charming guy, who also just happened to have a very fit and muscular body too! By the end of the first week we were like best buddies, so when he asked me if I fancied dinner at his place over the weekend, I agreed immediately.

I arrived at his house dressed in a tight black dress with a plunging neckline, black stockings and matching high heels. I felt a frission of nervousness as I rang the bell, but Craig soon put me at my ease. "Wow! You look incredible," he told me as he led me through to the living room.

Craig poured me a glass of wine and then we ate, although I couldn't even remember what he cooked, I was far too busy fantasising about getting to grips with that wonderful body of his! When we finished the food, we sat down on the sofa and then I felt Craig's hand resting on my thigh. I could feel my pussy getting wetter and it was all I could do not to leap on him right there and then.

He turned to face me, fixing me with a sexy smile, and we kissed for the first time. In seconds Craig's hands were all over me, peeling off my dress, before he lifted me up and carried me through to the bedroom.

Laying me on the bed, Craig stood in front of me and causally undressed, and I

Saskia

Who? "Yes, I know it's a stupid name!" sulks Saskia. "It sounds like one of those liqueurs you only drink at Christmas! All my mates call me Sassy." But Sassy isn't being prissy, she reckons her novel name is screwing up her sex life. "By the time, we've got my name sorted, his stiffy has subsided!" moans the 19-year-old. "You can watch it shrinking as we talk. So I have to do some serious snogging to recover the situation. Fortunately, I have a special procedure for just such an emergency. A sort of kiss-of-life for his cock! Michael Buerk ought to make a programme about it!"♣

almost fainted when I saw his prick for the first time. It was bigger than anything I'd ever seen. I pulled Craig onto the bed, but he seemed intent on pleasuring me first. His mouth moved onto my breasts and he started gently sucking on my nipples before kissing his way down over my stomach and then easing apart my thighs. He expertly ate me out and within seconds I could feel a huge orgasm swelling inside me. I bit my lip as I started to come, then Craig raised my knees up, my wet lips parting to take his hard cock.

I could feel every ridge and vein of his prick inside me, and I slung my legs around his waist as he pistoned his entire length deep inside me.

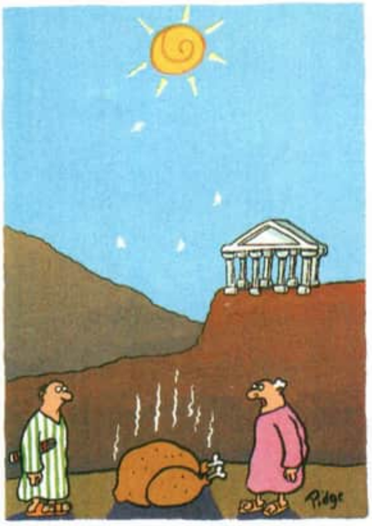
Still keeping his prick inside me, Craig rolled me over so that I was on top of him and could control the speed and depth of his thrusts until he brought me to another orgasm. We were fucking vigorously now as he reached up and played with my bouncing breasts, one hand stimulating my clitty, till we were both obviously nearing orgasm.

Craig thrust hard and let out a loud groan as he jerked and shot his load inside me, and this triggered me off and I screamed as another orgasm shook through me. My body went limp and I fell on top of him, exhausted but satisfied.

We must have both drifted off to sleep for a little while, but I was awoken when I felt Craig's prick nudging against me belly.

I moved further down the bed and kneeled between his legs and came face-to-face with his huge cock. It stood straight and hard and I peeled back his foreskin and wrapped my mouth around its bulbous head. Craig's face lit up as my soft lips and wet tongue worked on his cock and I was soon gliding my mouth up and down, urging him to fuck my mouth until I felt his balls tighten and he flooded my mouth with his come. I greedily swallowed every last drop, licking my lips with relish, before Craig returned the compliment and spent the next hour between my legs!

I've never experienced a lover as competent as Craig and now the two of us meet up every weekend for some wild sex. Thanks to Craig I've learnt a lot about sex – and I'm putting it all into practice! – *Heather, Wimbledon*



I warned him about flying too close!

CARRIE OUT

Since leaving college and moving to London, I'm having a wild time hanging out in cool and trendy night spots. I get a kick from seeing famous pop stars and models, and after a few drinks, invariably find myself acting like a brazen hussy, flashing my big tits in their faces and telling them my sordid sexual fantasies. Usually I end up making a right tit of myself, but recently, offering my snatch on a plate to one star had the desired effect, and I got myself laid by someone most girls would happily play groupie to.

I was smashed by the time we got to this new club, but was having a brilliant time eyeing up the talent, looking out for some well-hung stud to drag home for a night of raw lust. I nearly creamed my knickers when I spotted this famous singer from a top all-boy band propping up the bar, amidst an adoring entourage of baby-doll girls. Adjusting my skimpy top to show off my knockers to their fullest advantage, I wiggled over, hooked an arm round his neck and lied, "Hey babe. Remember me? Last time we met you told me you'd never forget the way I suck cock. How about an action replay?" My snatch was pounding even more than my heart, my nipples rock solid against his sweaty chest as he grabbed a handful of my arse, saying. "Why not. I'm bored of this dive anyway. Let's get outta here."

Dodging cameras, we jumped into his car. Eager to leave a lasting impression on this drop-dead dreamy stud, I whipped my top off so my tits tumbled out, nipples in his face. Tugging down his pants I found the biggest dong I've ever seen! Briefly wrapping his solid sword between my boobs, I licked my lips, stretching them round his rock-hard helmet. His hand in my pants, he teased my clit like he was strumming his favourite guitar as I gobbled and slurped from his nuts to his shiny prick-bulb. We came loads, and I can't hear him sing without thinking of the noises he made while shooting down my throat! Rock 'n' roll! – *Carrie, Clapham* ♣

COMING IN club

LET US SPRAY

Next month Club is doing a special bit on graffiti spray art including top taggers like Futura 2000. But we don't want to just stick to the top shit. So if you've got a favourite spray mural on your local train, wall, skateboard or council estate get a picture and send it in to us at the usual address. 35mm slide film is best but we'll settle for prints if they are vaguely in focus. If you did the spray job yourself, even better, so send us a few details about what it's meant to be etc and you too can star in your fave mag. Ta! ♣

You know how life can be a real shit sometimes; it's always raining, you spend your last fiver on a bird and don't even get a snog and the people at work treat you like a sheep?

Well, here at Club it's always sunny, the birds all fancy you and we treat you like the fun-loving headcases you are. It's like a home from home. OK? ♣
